## A Message from Linda Klann, Wil-O-Way Underwood Site Supervisor

"The hot and lazy days of summer are behind us now. Time to get into our exciting fall session of Discovery. For the past two years, I have had the privilege and joy to lead and discover new friends here at Wil-O-Way Underwood in different recreational programs. I have seen them grow and learn, knowing they have the ability to experience much more. Come join us this Fall and discover what you are capable of.

## Volunteer Spotlight on Kimberly Kleppin

It's not everyday that you find a volunteer who can connect with our participants in a way that brings smiles across everyone's faces when that volunteer walks through the door. This has happened with Kimberly Kleppin at Holler Park Adult Recreation Center. Kimberly is an Alverno College student who was placed with Easter Seals Kindcare this summer to complete a class assignment and gain some experience in her field of study, education. But Kimberly has taken that extra step, and truly connected with our participants and staff. She helps at a variety of activities and always brings a friendly and caring attitude with her, along with the ability and knowledge of what she is learning in school to help our staff and participants. Our members are always happy to see her and enjoy their time with her. It has been a pleasure working with Kimberly and we hope to see her again after her school requirement is complete.

**Thank you, Kimberly, for all your help!**
